

Table of Contents for Paul Gordon's Gold Dust Trilogy with categories

(Table/Strolling/Pseudo Gambling/Trade Shows/Cabaret/Adult)

N.B It goes without saying that strollers can be done on the table, but table tricks can't be done standing. Please only use my categorisation as a guideline and not a rule. And, I might update this list from time to time; so, feel free to check up on it and download it again as and when. I hope this list aids your choosing.
